A NEW FACE IN THE NEIGHBORHOOD

While at the pool you may notice a new face! Diana Golden will be stepping in as the new facility coordinator at the Residents' Club. Diana is a Hampton native and a graduate of Christopher Newport University where she both played and coached field hockey. Diana is looking forward to planning future events and meeting each of you!

The last four years have been wonderful! I have enjoyed watching the neighborhood grow and have made some terrific memories here. This fall I will be leaving East West Communities to work full time on my graduate research. Thank you for sharing your lives and opening your hearts to me. We've shared many holidays together and I am grateful for the experiences we've shared and the friendships we've made. Your fun and friendly spirits help make the Residents' Club a welcoming place to both new staff and new neighbors. Please help us in welcoming Diana to the community! ~ Jennifer Johnson
