Monday- Friday

6:30am-8:15am & 3:30pm-6pm

Do you need before school or after school care for your child?

The Founders Pointe KiDZ KLuB offers before and after school activities for your children. The Residents' Club provides a safe and supervised area for your child to do homework, make crafts, create-a-snack, play outside and inside sports, watch a movie, and have some FUN! You can drop your child off at the Residents' Club and have them catch the bus here in the mornings or have the bus drop your child off here after school. We must have a minimum of 5 children daily to hold either the before school or the after school program. The cost for each program is \$10 per day or \$40 per week. The program will follow the Isle of Wight Public School schedule, and will offer care on days when schools dismiss early or are not in session; there will be an additional fee for these days.

Children must be registered by Monday, August 31st so that we know if we have enough participants to hold the program. Registration forms and additional information are available on our website. www.founderspointe.net

The first three years of this event have raised more than \$69,000 for the East West Scholarship Fund, and we hope to significantly add to that accomplishment this year. Help us to honor that spirit of giving, and continue to support the educational goals of our area youth by supporting this endeavor through a corporate

sponsorship, personal donation, or registering a golf team.

We are currently looking for volunteers to help with various tasks on the day of the tournament. Please contact the Residents' Club if you are interested or would like more details.
